This matter is before the court on the defendant's Unopposed Motion to Continue Trial [32]. Defendant was recently diagnosed with a brain tumor that required a surgical procedure and will require additional follow-up treatment. Counsel needs to investigate this situation and will require expert analysis and additional time for medical review. For good cause shown,

IT IS ORDERED that the Unopposed Motion to Continue Trial [32] is granted as follows:

1. The jury trial now set for May 10, 2021, is continued to **July 19, 2021**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and July 19, 2021**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

DATED: April 19, 2021.
